

# Seafood Buffet

One of the most popular ways to entertain at the Club, the Seafood Buffet is as much a feast for the eyes as it is a gastronomic delight. One price includes everything, even open bar and dessert. While the chef likes to prepare many specialty dishes based upon seafood in season, there is a standard book of fare which will always be present:

- Full Salad Bar
- New England Clam Chowder
- Fresh Crab Salad
- Steamed Gulf Shrimp Bowl
- Fresh Maine Lobster
- Carved Prime Rib of Beef
- Conch Fritters
- Seafood Newburg
- Vegetables
- Rice
- Dessert Table
